SUBJECT:- Recovery of the Agricultural Bank dues from Mr.Lalsab of Hennali Village.

---

1 A sum of Rs~~48~~,000 was due from Mr.Lala-saheb to the late Saklespur Agricultural Bank at the time of its winding up. The principal and interest accrued aggregated to about Rs.68,000. Coercive proceedings were then instituted to recover the dues.

2 Consequent upon the concessions extended to all indebted members of the Agricultural Banks, the loan account of Mr.Lalsaheb reduced itself to Rs38,000 and time also was given for payment. As the reduced outstandings also were not cleared, the lands were sold for Rs.4,070 to Messrs.Mallappa amd Md.Hussain in auction but before the confirmation of the sale was effected, an offer was made by Mr.Lalasaheb to pay Rs.5,000 ~~and kimxkimkixxky~~ as in full discharge of his liability. Against this, Mr.Mallappa offered Rs.2,000 more, but wanted a rebate out of this, as one of the survey Nos. did not belong to Mr.Lalasaheb.

3 Subsequently it came to notice that there were certain irregularities in the sale and the Deputy Commissioner was asked to hold a fresh sale. Accordingly the lands were sold in February 1928 and it is reported that 20 survey numbers fetched Rs.3,831 against an estimated value of Rs.5,520, while 15 survey numbers fetched no bids at all. The Revenue Commissioner reported to Government in February 1929 that the sale of

one particular Survey number fetched Rs.1,500 and recommended its confirmation and the restoration of other properties to Mr.Lalasaheb after recovering Rs.2,331 from him (the amount realised in the sale plus the land revenue arrears due on the lands up to the end of 1927-28). He also recommended that the survey number on which Mr.Lalasaheb's dwelling house stood and which ~~seemed~~ secured no bids in the sales may be kept for the family residence of the debtor. This recommendation was approved by Government in G.O.No.9800-1/C.S.4-28-6 dated 23-3-1929.

9

10 The Deputy Commissioner now reports that a sum of Rs.3,191-2-9 (Rs.2,331 plus arrears of land revenue) has been set off against the loan account and there is still a balance of Rs.33447-11-3 outstanding recovery and recommends that as there are no means for effecting the recovery ~~of this and that~~ this may be remitted.

11 There appear to be no other properties to proceed against. In the circumstances there ~~appears to be~~ is no option but to face a write off but the position of the account figures of the Revised for 1929-30 do not appear to warrant an admission of this charge against 1929-30 and the Budget of 30-31 has been passed so very close that there is likely to be some difficulty in finding funds for such a heavy liability as 33,000. The write off may, if approved, be considered in connection with the Revised figures of 30-31.

14 There is no margin in the Revenue budget to cover the large write-off proposed by the DC.

15 If a write-off is inevitable, ways and means should be explored to make the same by reappropriation of sanctioned grants.

Final Note by the Second Member of Council.

Subject:—

Proposals to write off certain irrevocable arrears due to the late Agricultural Bank at Saklespur.

One Mr. Hennali Lalasab was a member of the late Saklespur Agricultural Bank and he owed the bank at the time it was wound up a sum of Rs.48,000. In course of time the principal and interest amounted to Rs.68,000. Coercive proceedings were then instituted to recover the dues. As a result of the concessions extended to all indebted members of the Agricultural Banks, the loan account of Mr. Lalasab was reduced to Rs.38,000 and time was also given to him for payment but no payment was made. Coercive steps were again taken to recover the amount and there is now a balance of Rs.33,447-11-3 due from the defaulter. It is reported that there are no other properties to proceed against and the debt is irrecoverable. In these circumstances it is proposed to write off the sum of Rs.33,447-11-3 due from Mr. Lalsab and to place a supplemental demand for the amount before the Legislative Council.
